Dear Sir:

Responding to your postcard, we do not publish such catalogues or periodicals regarding foreign coins as is implied by your postcard. I suspect that you would be more interested in "The Numismatist", a monthly publication to be obtained from Mr. F. G. Duffield, (4512 Fernhill Avenue, Baltimore, Maryland) for which the subscription is two dollars a year. If you will write to the address given above, a sample copy will doubtless be sent you free of charge.

We should be glad to have you call at our Museum if and when you come to New York.

Yours very truly,

Secretary.
